

# Amethyst Infrared PEMF Mat

by Clearlight®

Work out, stretch or relax with your Clearlight Amethyst Infrared PEMF Mat as the infrared wavelengths from over 35 lbs of pure amethyst crystals deeply penetrate and warm your body. The heat generated from the amethyst begins working immediately to soothe and heal.

Increase your bodies natural recovery process with the addition of Pulsed Electromagnetic Field (PEMF) therapy. PEMF delivers a whole-body wellness experience. It's a safe and natural way to boost your body's cellular function and improve your physical and mental health.

When combining Far Infrared, PEMF and heated amethyst crystals, the improved wellness benefits are exponential.
